Process of getting a certified translation accepted by USCIS

How I get documents certified?

Here are the 3 main steps of the process:

- 1- **Upload or Email** your documents. Scan your documents to PDF or any image format and send to the company!
- 2- **Make the payment online.** After we figure out the price, we will send you a quick quote and payment link by email. You can pay online.
- 3- Receive your certified translations by email.

How long does it take?

A one-page document can be translated, certified, and notarized within 24 hours, depending on the language and formatting requirements.
